

Are you moving, remodeling, or cleaning out? Don't throw items you no longer want in the trash or put out on the sidewalk for trash pick-up! Donate them to Habitat Craven ReStore so they can earn revenue needed so we can build more Habitat homes for eligible partner families!

If the item you'd like to donate isn't listed here, or if you have a question about our interest in an item, give us a call at 252-633-5512. We'll also be happy to arrange for our ReStore truck to pick-up any large or multiple items, or if there's no way for you to drop off your donation. We're more than happy to help you to help us!

If you're not sure about donating an item – ask yourself – “Would I buy this if I saw it in ReStore?” And, if the answer to that question is “No”, then please do not donate it to us!
