

Women Build

May 8, 9 & 10, 2025

**A strong woman stands up for herself.
A stronger woman stands up for everyone else.**

Join Habitat for Humanity of Craven County as women come together to socialize and have fun while helping to build an affordable Habitat Home for a local family.

Woman Build is about including women and challenging them to help build a stronger, safer community. At Women Build you will find women of all backgrounds serving together. Open to individuals, groups and coworkers. This is an inclusive opportunity, men are not excluded, and this event is open to all gender identities.

Sign up for one, two or all three days.
Thursday & Friday Shifts: 8am-12pm & 12pm-4pm,
Saturday Shift: 9am-3pm.

Registration is required. New volunteers need to attend an orientation beforehand at cravencountyhabitat.org/volunteer. All experience levels welcome – no construction skills necessary.

Volunteer Questions: email Buna at bcumbie@cravencountyhabitat.org
Sponsorship Information: email Tracey at TLilly@cravencountyhabitat.org
